

Naf Naf means to
FAN THE FLAME

Fan the flame is our invitation to gather around the grill and share a meal. It's what inspired our late founder, Sahar Sander, to create a dining experience that brings people together through authentic Middle Eastern food and genuine hospitality. In that spirit, we invite you to enjoy our savory chicken shawarma, freshly baked pitas, signature hummus and hand-crafted falafel made in house every day. Our table's always open. So, grab a seat and let's share a meal.

Love. Naf.
